# 50th Year Trips!

Please join us on June 15th-16th for a Night and Day at the recently rebuilt Moosilauke Ravine Lodge! This is an “add-on” to the official 45th Reunion activities that start in Hanover on June 16th. The Classes of ’77 and ’78 will join us. Lodge Manager Margaret Nichols ’20 is the daughter of Classmate Larry Nichols ’76 – so we will be in good hands!

Part of what makes Dartmouth unique is its sense of place. What other college owns its own mountain, in a beautiful setting, the White Mountain National Forest?

Whether you were a DOC-type or not, you will have fun! Think of this as First Year Trips (Freshman Trips in our day), but 50 years out. Activities will cover a wide range of interests:

- **Hikers** – Neil Van Dyke ’76, Carol Hillman Van Dyke ’78, and Bruce York ’76 will guide hikes on the mountain, with participants choosing their preferred trails. The peak offers panoramic views of the Presidential Range and Franconia Ridge to the north, Lake Winnipesaukee to the south, and Vermont’s Green Mountains and New York’s Adirondacks to the west. Or sometimes, the inside of a cloud.

- **Non-hikers** – For those not hiking, Dr. Douglas Arion ’79, Professor Emeritus of Physics and Astronomy, Carthage College, will join us to share one of his great presentations that will really stretch your mind. I saw “Humankind’s Place in the Cosmos: Are We Special?” some years ago, and I can still remember it.

- **Everyone** – The “new” Ravine Lodge (2017) is a marvel, with lots of areas to catch up with friends new, and old.

Lodge Details
Moosilauke Ravine Lodge sits at an elevation of 2,400 feet. It includes a main lodge and several adjacent bunkhouses. The bunkhouses are well built, fairly modern, but rustic: they are large cabins containing a number of bunk beds. So the accommodations are communal, coed, and not private. Showers, and bathrooms are located in the main lodge.

There is one handicapped accessible room in the main lodge. Access to the lodge itself is available via driving right up to it. The lodge has an elevator.

They can accommodate a variety of dietary restrictions/allergies – just let them know when you make your reservation.

There is no internet or cell service. A guest landline is available if needed.

We will need to adhere to College Policies regarding alcohol (nothing 30 proof or higher), and COVID. The latter changes as conditions require, and is updated regularly here: alumni.dartmouth.edu/engage/reunions
